**HORIZON**  
WORLD CLASS YACHTS

## FREEDOM LIES IN BEING BOLD

“With the FD Series, we directly address the market’s demand for style, space and performance.

Traditional yacht design wouldn’t accommodate the layouts and features we wanted, so advanced

engineering and careful planning has been a necessity for many of the FD models. This is exactly

what sets Horizon apart from other builders - our drive for innovation and our willingness to push the

proverbial envelope.” — CEO John Lu

## *Defining the FD Series*

### *VOLUME*

The FD Series yacht offers interior space and volume that is unrivaled, allowing for

layouts and amenities once limited to much larger builds.

### *STYLE*

From the design studio of Cor D. Rover, the FD Series yacht is defined by large

windows, generous deck spaces and a striking, head-turning profile.

### *COMFORT*

The FD Series yacht boasts an innovative High Performance Piercing Bow and hull

design that affords superb comfort in all sea conditions.

## *The High Performance Piercing Bow (HPPB)*

### **EFFICIENT CRUISING PERFORMANCE.**

The FD Series features a High Performance Piercing Bow (HPPB) - a proprietary design by Horizon Yachts in consultation with Cor D. Rover. This design, in conjunction with the hybrid hull shape and tunnel design, delivers a shallow draft, more comfortable ride, lower resistance and excellent stability.

The HPPB and hull design demonstrated across-the board hydrodynamic improvements in both tank and CFD testing. While alternative bow designs that feature protrusions work more efficiently at either high or slower speeds, the HPPB brings both efficiency at slower speeds and performance at higher speeds.

#### HORIZON'S FD SERIES YACHTS AROUND THE GLOBE

Introduced to the world market in 2016, the Horizon Fast Displacement (FD) Series has taken the yachting industry by storm, noted for its striking style, appreciated for its well-planned layout, and praised for its exceptional stability and performance.

Much of the success of this series, designed in collaboration with Cor D. Rover, can be attributed to our clients, who provide the inspiration for enhanced functionality and ingenious design ideas. The series offers megayacht living and proven performance.

FD SERIES // ORDER BOOK	HULL NUMBER	OWNER NATIONALITY	LAUNCH DATE	DESCRIPTION
	FD75 Hull 1	European	March 2020	Intended for the active owner, the innovative FD75 features a raised pilothouse design that accommodates both an open bridge and a lower helm area. Uniquely, the FD75 is a four-stateroom yacht, and includes a full-beam, on-deck master stateroom fitted with an en suite and walk-in closets. While the yacht is owner/operator capable, accommodations for two crew members are found aft. Hull One made its world debut at the 2020 Horizon Open House and was subsequently sold to a repeat Horizon owner from the U.K.
	FD75 Hull 2	American	October 2020	Hull Two of the FD75 made its U.S. debut at the 2020 Palm Beach International Boat Show, where it turned heads for its pocket superyacht appeal. Uniquely this FD75 showcases a galley-aft configuration, which allows for the entire aft portion of the main deck to operate as one large entertaining space. The yacht was sold to a first-time Horizon owner immediately following its debut.
	FD75 Hull 3	Asian	August 2021	Conceived primarily for entertainment, Hull Three has been uniquely customized to accommodate parties of up to 20 guests. The space that normally holds the full-beam, on-deck master stateroom forward has been designed as a Karaoke room with convertible beds while the lower deck houses three staterooms designed to sleep multiple guests. The flybridge boasts a DJ booth, disco lighting and a fog machine, and a crew cabin and mess area is situated at the stern.
	FD75 Hull 4	Australian	Under Construction Estimated Launch October 2021	<p><i>"We chose to work with the Horizon Yacht Australia and Taiwan teams as we believed that they understood and embraced our vision. We believe that we are investing in a company that has the technology, knowledge and design experience to deliver the yacht of our dreams. The result will be a stunning vessel, designed to suit our lifestyle that we can share with our friends and family."</i> – OWNER</p> <p>To suit their active cruising lifestyle, the Australian owners of the FD75 Hull Four specified a three-stateroom layout comprising the semi on-deck, full-beam master stateroom and two large full-beam guest staterooms on the lower deck. A large beach club and Hi/Lo swim platform reside aft of the engine room. This is the first FD75 to feature a Skyline configuration.</p>
	FD75 Hull 5	Australian	Under Construction Estimated Launch March 2022	Hull Five of the owner/operator FD75 model has been contracted by an Australian owner. She will feature an Open Bridge design and a bright Scandi-style interior highlighted by light woods. Currently under construction, she will be delivered to her owner in the Spring of 2022.

FD SERIES // ORDER BOOK	HULL NUMBER	OWNER NATIONALITY	LAUNCH DATE	DESCRIPTION
	FD75 Hull 6	American	Under Construction Estimated Launch April 2022	The latest FD75 is now under construction for a repeat Horizon owner, who previously owned an E73. With an LOA of 73 feet to meet the owner's slip dimensions, this design features an enclosed skylounge and is the first Skyline version in the U.S. The owner elected to eliminate the raised pilothouse to allow for a galley forward on the main deck. The yacht features a four-stateroom layout with crew quarters aft and will be delivered in the Spring of 2022.
	FD80 Hull 1	American	January 2019	The FD80 Hull One was specified for the American market and made its world debut at the 2019 Palm Beach International Boat Show. Sold to an American owner, she features an Open Bridge configuration, a four-stateroom layout with an on-deck master, and a beach club.
	FD80 Hull 2	Australian	April 2019	This FD80 is the first model to feature the Skyline configuration and sold quickly after her debut at the 2019 Sanctuary Cove International Boat Show. The owner commented that he was most impressed with the interior arrangement and on-deck master stateroom as well as the exterior spaces and specified equipment.
	FD80 Hull 3	American	August 2019	<p><i>"We were very impressed with the overall engineering throughout the yacht. Horizon pays attention to the important user aspects of the vessel, like designing for accessibility and temperature control for the DirecTV system, for example."</i> – OWNER</p> <p>This is the first FD80 with a Skyline configuration to be delivered to the U.S. Boasting the same voluminous interior and innovative features as its predecessors, this four-stateroom yacht offers its own unique features, including a folding table on the starboard side of the salon that extends to a full dining table.</p>
	FD80 Hull 4	Asian	October 2020	Featuring a Skyline configuration, the FD80 Hull Four accommodates eight guests in four staterooms, including an on-deck master. Accessed through fully opening folding glass doors, the main salon takes advantage of its 22' 8" beam and features a sumptuous L-shaped settee to port, with a convertible breakfast/dining table to starboard. She was purchased by a Hong Kong-based owner.

FD SERIES // ORDER BOOK		HULL NUMBER	OWNER NATIONALITY	LAUNCH DATE	DESCRIPTION
AVAILABLE		FD80 Hull 5	American	September 2021	Sold during construction to a first-time yacht owner, this latest FD80 features a Skyline configuration with a full-beam master stateroom on the main deck and three guest cabins on the lower deck, with crew quarters for four and a beach club situated aft. The owner customized the boat deck to accommodate two jet skis as well as a six-person Jacuzzi and bar with stools.
		FD80 Hull 6	American	Under Construction Estimated Launch February 2022	Featuring a Skyline configuration with a unique helipad specified for the bridge deck aft, the FD80 Hull Six is currently in build and is on schedule to deliver in the Spring of 2022. This yacht will feature a four-stateroom layout with an on-deck master and crew quarters and a beach club aft.
		FD80 Hull 7	Spec for Australian Market	Under Construction Estimated Launch March 2022	Specified for the Australian market, this FD80 features a semi-enclosed configuration with a spacious enclosed wheelhouse on the upper deck and a semi-enclosed skylounge open to the boat deck with a large Jacuzzi aft. Offering four staterooms including a full beam, on-deck master, the latest FD80 features a spacious salon with a convertible dining table/breakfast bar, a spacious aft deck for al fresco dining and entertainment, and crew quarters as well as a beach club aft.
		FD80 Hull 8	Spec for American Market	Under Construction Estimated Launch August 2022	Specified for the American market, the next FD80 will feature a four-stateroom layout with an on-deck master suite. Configured with an enclosed skylounge, this yacht also includes spacious crew quarters and a beach club aft.
		FD85 Hull 1	Asian	January 2016	Designed in collaboration with Cor D. Rover, this FD85 was the first FD Series model to be introduced to the market at the 2016 Taiwan International Boat Show. She was purchased by a four-time Horizon yacht owner from Japan.

FD SERIES // ORDER BOOK		HULL NUMBER	OWNER NATIONALITY	LAUNCH DATE	DESCRIPTION
		FD85 Hull 2	European	July 2017	Commissioned for an experienced European owner who was attracted to the FD85's unique design at the 2016 Taiwan Show, this interior layout was adjusted with additional living and entertainment amenities incorporated. Hull Two is the first of the FD Series to feature the High Performance Piercing Bow (HPPB) design, which became standard on all subsequent builds. The technically-oriented owner reports back that it is one of the best boats he has ever experienced.
		FD85 Hull 3	American	September 2017	<i>"We had eight- to ten-foot seas; it was some pretty nasty weather and I was very pleased with how the boat handled."</i> – OWNER  Built on spec, this inventory boat was sold to a current Horizon owner who was impressed with the space afforded by the Series' high-volume design.
		FD87 Hull 4	American	January 2018	<i>"We're happy with the boat, happy with her performance and reliability and happy with our decisions and relationship with Horizon. If I could go back in time, I'd basically do the exact same thing again, and hope that point resonates with potential buyers."</i> – OWNER  Hull Four was commissioned for an owner with a strong marine background who was drawn to the HPPB design. The yacht features a blue hull and is the first FD87 design as well as the first FD to feature the Skyline enclosed bridge and beach club.
		FD85 Hull 5	European	March 2018	This experienced owner was looking to upgrade to the 110-120ft range but felt the FD85 answered his family's space needs in an easy-to-operate platform. The owner and his wife specified a combination settee and dining table and widened the door at the stern to accommodate a bicycle. They increased the size of the bar on the flybridge, added more bar seating, and customized two large electric retractable sunroof openings. They operate the yacht themselves.
		FD85 Hull 6	Australian	September 2018	<i>"With the boat's range and the ability to land a helicopter on board, the possibilities are endless. It is the equivalent of having a 120ft motor yacht under 90 feet."</i> – OWNER  The owner of Hull Six specified a helipad, so Horizon constructed a carbon fiber bridge hardtop that was certified to meet the structural strength required. A foldable hydraulic radar arch was designed to lower the boat's height to 24 feet (7.5m).

FD SERIES // ORDER BOOK

HULL NUMBER	OWNER NATIONALITY	LAUNCH DATE	DESCRIPTION
FD87 Hull 7	European	January 2019	Commissioned for an experienced yachting family looking to upgrade to a more comfortable, longer range cruising yacht, Hull Seven is the first to feature a walkaround deck design, and is distinguished by a stone grey hull with a light gold boot stripe.
FD85 Hull 8	Australian	September 2018	<p><i>“It’s overwhelming the amount of people you can have onboard at any one time. I have built my dream boat and we are looking forward to traveling anywhere our hearts desire.” – OWNER</i></p> <p>These Australian owners were very happy with Horizon’s willingness to make changes and present new designs. They also use the vessel for corporate entertainment.</p>
FD87 Hull 9	American	January 2019	This inventory boat was sold during the construction process to her American owner. She is the first FD87 to feature a semi-walkaround side deck on the upper level and boasts a foredeck lounging area complete with refrigeration and icemaker. Owner-specified features for increased functionality include a convertible dining table, Hi/Lo dining table on the aft deck and sliding bow tables.
FD87 Hull 10	European	July 2019	The FD87 Skyline Hull Ten, which has obtained CE marking, offers five staterooms with an enclosed skylounge on the upper deck. The light and airy main deck salon, highlighted by oak woodwork, features an ingenious convertible dining table that easily folds up into a breakfast bar - just one of the many superyacht amenities in its voluminous design. The yacht debuted at the 2019 Cannes Yachting Festival and was sold to a European owner.
FD87 Hull 11	American	August 2019	Built on spec for the American market, this FD87 Skyline features a spacious on-deck master stateroom and four further staterooms on the lower deck. A 23’ 3” beam takes advantage of the yacht’s large windows and impressive volume, offering comfortable living, dining and entertaining spaces, including an aft beach club. She made her U.S. debut at the 2019 Fort Lauderdale International Boat Show and was delivered just in time for the holidays to a repeat Horizon client who has previously owned an E73 and an E84.

FD SERIES // ORDER BOOK

HULL NUMBER	OWNER NATIONALITY	LAUNCH DATE	DESCRIPTION
FD87 Hull 12	American	February 2020	Commissioned for new Horizon owners with extensive yachting experience, the FD87 Hull 12 features numerous interior and exterior customizations. On the aft deck, the starboard-side staircase has been removed to incorporate a full wet bar and storage area. In the interior, a lower-level stateroom has been re-imagined as a storage room, complete with refrigeration for long journeys.
FD90 Hull 14	American	September 2020	<p><i>“Horizon’s willingness to modify their design is limited only by your imagination. We tried to keep all the things we liked about our Horizon E88 while incorporating the greater volume of the FD87. As we only need three staterooms, that left the forward area of the main deck available for a different purpose. In keeping with the more informal use of our vessel, the country kitchen was a logical step with room left over for a desk with computer station. Our dogs also played into the design and Horizon made numerous modifications to keep them safe aboard while cruising.” – OWNER</i></p> <p>Commissioned for repeat Horizon owners, the custom FD90 is based on an extended FD87 hullform and features a unique layout, with a large country kitchen and pantry in the space normally occupied by the on-deck master.</p>
FD87 Hull 16	American	October 2020	This FD87 is the first Horizon build for experienced American owners, who were drawn to the design by the amount of volume it affords in comparison to traditional motor yachts. The owners also appreciated the opportunity to customize their yacht to suit their lifestyle. Hull 16 features five spacious staterooms, including a full-beam on-deck master suite in which the owner specified a full-beam his-and-hers ensuite – the first of its kind aboard an FD87. Crew quarters for four are situated aft of the engine room, next to the fully equipped beach club with a Hi/Lo swim platform, which the owners had upgraded to accommodate 2,500lbs.
FD87 Hull 18	Australian	May 2021	Built on spec, this yacht is a Limited Edition design from the Cor D. Rover Signature Series, and features the Rover-designed FD Series exterior styling as well as a custom-designed interior penned at the hands of the Dutch designer. The five-stateroom yacht features an on-deck master suite as well as a semi-enclosed skylounge and beach garage. The lightweight hardtop doubles as a touch-and-go helipad and includes a hydraulic telescopic radar arch. She was quickly sold after the debut at the 2021 Sanctuary Cove Boat Show.
FD90 Hull 20	Asian	August 2021	<p><i>“I want to express my thanks and appreciation to you and the team at Horizon for the wonderful job you did in the interior design and fitting of M/Y Tyee. I am very happy and satisfied with the quality, the excellent workmanship, and attention to details throughout the entire yacht.” – OWNER</i></p> <p>The first FD Series yacht sold in Southeast Asia, this FD90 is also the 20th hull of the popular FD87 model and features a five-stateroom layout with an enclosed skylounge configuration.</p>

FD SERIES // ORDER BOOK

AVAILABLE

HULL NUMBER	OWNER NATIONALITY	LAUNCH DATE	DESCRIPTION
FD87 Hull 22	Spec for European Market	Under Construction Estimated Launch January 2022	Specified for the European market, this FD87 will be configured with five staterooms including an on-deck master. This new FD87 will also feature an enclosed skylounge as well as a beach club aft.
FD87 Hull 24	Australian	Under Construction Estimated Launch December 2021	Specified for the Australian market, this FD87 features a Skyline configuration and a five-stateroom layout including an on-deck master. Entertaining and lounging are prioritized throughout the deck areas and a Jacuzzi with a bar counter and three stools is situated on the boat deck. She has sold to an Australian owner who previously owned a Horizon E88.
FD90 Hull 25	Spec for Australian Market	Under Construction Estimated Launch May 2022	Specified for the Australian market, this new FD90 will also feature an enclosed skylounge as well as a beach club aft. This yacht is estimated to launch in 2022.
FD90 Hull 26	American	Under Construction Estimated Launch August 2022	The owner of the latest FD90 selected Horizon for their willingness to customize the layout to his specifications. This latest build features a truly customized layout, which includes an open main salon with a large convertible dining table and an on-deck master stateroom forward. Four further staterooms are specified for the lower deck, with crew quarters and a beach garage aft of the engine room. Additional dining and lounging is planned for the upper deck, which features an enclosed wheelhouse, forward of which additional lounging surrounds a Jacuzzi tub on the foredeck. This new yacht will be delivered to her owner in the Summer of 2022.
FD92 Hull 1	American	September 2020	<p><i>“Production builders may say they will work with you to personalize your boat, but in the end you only have a couple of choices and can give limited input. Horizon is truly a custom builder. Horizon will do as much or as little as you want and you can get as involved as much as you want to, I was truly impressed with their organization.”</i></p> <p>— OWNER</p> <p>Commissioned for first-time Horizon owners with superyacht ownership experience, the FD92 Hull 1 is the first of the FD Series to feature a tri-deck layout, allowing for an enclosed skylounge as well as an open flybridge. Among the many customizations are a his-and-hers ensuite in the on-deck master stateroom and a Jacuzzi on the foredeck.</p>

FD SERIES // ORDER BOOK

HULL NUMBER	OWNER NATIONALITY	LAUNCH DATE	DESCRIPTION
FD92 Hull 2	American	December 2020	Multiple areas for entertaining and the dual option of an enclosed skylounge and open flybridge make this second FD92 an attention-getter. Within the 23’ 3” beam, the FD92 accommodates a total of five staterooms including a full-beam, on-deck master stateroom with a his-and-hers ensuite and plenty of storage. She has been sold to a repeat Horizon FD owner.
FD92 Hull 3	American	February 2021	Designed for the American market, the FD92 Hull 3 features a five-stateroom layout with an on-deck master suite as well as an enclosed skylounge and open flybridge offering multiple areas for entertaining and navigation. She was sold to experienced American owners.
FD92 Hull 4	American	Under Construction Estimated Launch November 2021	This tri-deck, five-stateroom yacht offers a full-beam, on-deck master and four additional staterooms on the lower deck along with crew quarters for three. The uppermost deck comes equipped with a helm and seating while the bridge deck houses a bar and a six-person Jacuzzi. Dinette seating, sunpads and a fridge/ icemaker comprise the lounging area on the foredeck. The FD92 features a fully equipped beach club and a Hi/Lo swim platform. She will be launched in the Winter of 2021.
FD102 Hull 23	Australian	Under Construction Estimated Launch December 2021	Yet another showcase of Horizon's willingness to customize to an owner's yachting preferences, this tri-deck FD92 yacht features an extended LOA of 103 feet. Equipped with a semi-enclosed skylounge and spacious boat deck, this build is designed with an on-deck master and four additional en suite staterooms on the lower deck.
FD100 Hull 6	Spec for American Market	Under Construction Estimated Launch May 2022	Designed for the American market, the new FD100 accommodates ten guests in five staterooms, including an on-deck master. The tri-deck layout allows for an enclosed skylounge with an open flybridge on the uppermost deck. Plentiful deck areas add to the entertainment options found throughout this spacious yacht. She will make her U.S. debut in the Summer of 2022.

FD SERIES // ORDER BOOK		HULL NUMBER	OWNER NATIONALITY	LAUNCH DATE	DESCRIPTION
		FD102 Hull 1	European	February 2020	This client was interested in a bigger version of the FD87 Skyline and requested a yacht with an extended range and more superyacht amenities. Horizon and Series designer Cor D. Rover returned to the drawing boards to customize a yacht that suited this owner's vision. At an overall length of 108 feet, the FD102 Skyline offers a wide 25' 3" beam and large outdoor spaces accessed by a unique walkaround design.
		FD102 Hull 2	American	April 2020	<p><i>"It was a very pleasant building experience working with everyone at Horizon both in the U.S. and Taiwan. Their willingness to consider our ideas, incorporate their own and to be willing to compromise on important matters is very commendable. We look forward to many years of enjoyable cruising on our specially designed yacht."</i></p> <p>– OWNER</p> <p>The FD102 Skyline Hull Two is the first Horizon build for the experienced owners, who customized their interior to feature a circular dining table on the main deck aft and incorporated Humphree stabilizers and interceptor tabs for added performance. Theirs was the first yacht to feature a semi-enclosed skylounge – a design that has been mimicked in later builds.</p>
		FD110 Hull 3	American	October 2020	<p><i>"Horizon has done more than 'right' by us, and accommodated our extensive customizations, from over one ton of additional sound proofing to internally heated German windshields to his-and-hers heads and showers. Horizon truly lets you build it your way and the FD Series offers impressive gross tonnage in a 110ft package."</i></p> <p>– OWNER</p> <p>The third and latest FD Series superyacht is equally innovative and unique in relation to her sisterships, and is bursting with owner-inspired features that set her in a class of her own. Distinguished by a daring metallic grey hull, this yacht features a four-stateroom layout, plus gym and full laundry facilities, including an on-deck master stateroom with a his-and-hers en suite. Customizations are plentiful on this well thought-out yacht, including a stunning fire pit built into the skylounge deck for cool northern evenings.</p>
AVAILABLE		FD110 Hull 4	Spec for American Market	Under Construction Estimated Launch February 2022	Specified for the American market and fitted out to offer the ultimate in space and luxury, Hull Four of the FD110 model is currently under construction. This FD110 Skyline features a tri-deck configuration and a five-stateroom layout including an on-deck master suite with spacious crew quarters situated aft of the engine room. This FD110 will debut in early 2022.
AVAILABLE		FD110 Hull 5	Spec for Global Market	Under Construction Estimated Launch November 2022	Currently in build and designed for the global market, this FD110 Hull Five features a tri-deck layout and is on schedule to launch in late 2022.

// DECK SPACE

The spacious main and bridge aft decks are designed to suit owner preference.

DEFINE YOUR  
DECK AREAS

Owner Inspired Feature:  
Refrigerator/Ice Maker

// FORE AND AFT

Unique for this size range, the FD Series offers the option of a fully equipped beach club that can double as a crew mess or tender garage. The foredeck areas are also maximized and can be protected with sunshades.

## DEFINE YOUR INTERIOR

// SPACE REDEFINED  
Exceptional volume  
and a wide beam  
allow for incredible  
interior space.

// ENJOY THE VIEW  
Enormous windows  
are a defining feature,  
allowing in plenty  
of natural light and  
capturing the views.

Owner Inspired Feature:  
Convertible Dining Table

#### BENEATH THE WATERLINE

Comprised of a hybrid hull shape and tunnel design, the High Performance Piercing Bow (HPPB) delivers a shallow draft, more comfortable ride, lower resistance and excellent stability in comparison to a traditional fast displacement, hard-chine hull design.
