

E SERIES

  
**HORIZON**  
WORLD CLASS YACHTS

E75 // E81 // E90 // E100

## TIMELESS LUXURY

"The E Series is the first of Horizon's luxury yacht series to feature elegant European exterior styling, which has come to be recognized by clients around the globe. To date, Horizon has delivered over 100 E Series yachts, each of which seamlessly blends this signature styling with the yacht's overall hull shape and design, underscoring Horizon's capability as a semi-custom yacht builder." — CEO John Lu

# Defining the E Series

## ELEGANCE

Characterized by the signature sleek exterior profile, the E Series yacht blends European luxury and elegance with functional design.

## FLEXIBILITY

The E Series offers four models in a multitude of layout configurations with endless options for customization that satisfy any cruising lifestyle.

## PERFORMANCE

Designed with safety and comfortable cruising in mind, the E Series hull delivers the most reliable, stable and responsive boating experience on the water.

# E75

*Elegant and Functional*

## AN EVOLUTION IN DESIGN.

The Horizon E75 motoryacht is an evolution in design of an earlier, extremely popular E73 model.

Boasting a stylish exterior with appealing lines, the E75's interior features increased volume and

numerous entertaining areas. Entertaining with family and friends becomes a true pleasure

aboard the E75, which offers a creative foredeck seating area, an exterior bar on the boat deck,

and an incredible aft deck for shaded relaxation. This is a yacht that defies size perception and

provides the amenities and space of a far larger yacht in an attractive profile.

Main Salon

# E81

*Innovative Mid-Sized Luxury*

## **FLEXIBILITY AND FUNCTIONALITY.**

The newest model in the ever-popular E Series, the E81 marries the sleek E Series superstructure profile design with a beamy, high-performance hull. This high-volume model offers a 20' 6" beam, which allows for up to four roomy staterooms and accommodates a variety of engine options, without compromising performance or draft. With the E81, you can customize the interior layout to your liking and select the power and performance to get you to your destination as you wish. Offering the flexibility of being an owner-operated or crewed vessel, the E81 is available in enclosed bridge or open bridge configurations.

## **MULTI-FUNCTIONAL EXTERIOR AREAS AND SUPERYACHT SPACE.**

The Horizon E90 is the next-generation model of the E Series – a stylish vessel that combines a performance-oriented hull with a sleek superstructure. Today's E90 features four ensuite staterooms and crew quarters for four within a flexible and multi-functional layout. The spacious main deck offers a large country kitchen forward, while the upper deck offers an enclosed wheelhouse with a dinette, wet bar, Jacuzzi and sunpads aft. Designed with island-living luxury in mind, the Horizon E90 offers the ultimate comfortable cruising experience.

## DESIGNED TO APPEAL TO ALL YACHTING LIFESTYLES.

The Horizon E100 is currently the largest motoryacht in the E series, and was designed for clients who wish to enjoy the comforts of a superyacht in a sub-100ft (30m) motoryacht. Designed by Swedish designer John Lindblom, her sleek exterior lines exude a timeless style, while her high-performance hull ensures cruising efficiency, stability and seakeeping. The Horizon E100 is offered in Skylounge and Open Bridge versions and features an expansive aft deck as well as a foredeck seating area to suit a variety of cruising lifestyles.

**THESE PAGES**  
The standard layout includes a main salon, formal dining, galley and country kitchen forward on the main deck. As shown, this layout has no formal dining and instead offers an enlarged salon and breakfast bar.
